EFT RECURRING PAYMENT AUTHORIZATION FORM

To sign up for automatic recurring payment of your insurance premium from your bank account, please follow these steps:

- Complete the authorization form on Page 1. Your enrollment may be processed by your Mutual Benefit Group independent insurance agent, or you may complete the form yourself and mail it to Mutual Benefit Group, PO Box 577, Huntingdon, PA 16652, for processing at Mutual Benefit's home office. You will need to provide your agent with a voided check or savings account deposit slip, or attach same to this form if mailing it to Mutual Benefit Group's home office.
- Pay any paper invoices that you have received to date.
- A payment schedule will be mailed to you, listing monthly due dates and premium amount due. Future premium balances will be equally divided across the remaining policy period. Each payment will include a nominal installment fee.
- Payments will be automatically withdrawn from your bank account each month on or around the effective date of the policy. (If payment is due on a weekend or holiday, Mutual Benefit Group (MBG) will charge/draft your account on the next business day.)
- No future invoices will be mailed unless your premium changes by \$2.00 or more, in which case MBG will send a new payment schedule at least ten days before the next payment is due.
- Your selected payment option will apply to all further payments (excluding audits on commercial accounts) and will continue into future policy periods. If you choose to terminate the agreement at any time, you must notify Mutual Benefit Group or your agent in writing or log onto our online payment tool at www.mutualbenefitgroup.com and delete your recurring payment profile, or call your agent.
- Make sure your bank account information is correct, and up-to-date. To change or update your bank account information, log in to your account profile via MBG's online payment tool at www.mutualbenefitgroup.com, or contact MBG's billing department at 1-800-283-3531, or call your agent.

Insufficient Funds (NSF) Notice

If there are insufficient funds in your bank account on the withdrawal date, you could receive a cancellation notice for that installment, a \$30 NSF service fee, and a late fee. If the installment is subsequently paid, the automatic withdrawal of any future installments will continue without interruption. Multiple NSF occurrences may result in a customer being declared ineligible for the plan.

Questions?

Call your Mutual Benefit Group agent or contact Mutual Benefit's Direct Bill Department toll free at 1-800-283-3531. Visit our Web site at www.mutualbenefitgroup.com and select the "Billing" tab for more information on payment options.
